PROGRAM

The TX3 is an ambitious and extremely responsive board for all type of conditions. Thanks to its powerful and precise pop it will help you reach another level in freeride and freestyle sessions. Its technology and structure is based on the TRAX4 with a modified shape for more carving and flexibility: in summary, the TX3 is the perfect balance between power, smooth ride and control. The TX 3 has been designed for all those riders seeking an accessible all-around and high performance board.

The TX3 is equipped with our 3D molded Platinum Pads & Straps for the best comfort and the new Strap Lock 2 for easy mount and setup.
